

Draw Sheet for District Tennis Tournaments

One player/doubles team must be seeded for every four entrants or major fraction thereof. After seeded players/teams have been placed on the bracket, all remaining players/teams will be placed on the bracket by blind draw. Even the smallest tournament may have two (2) seeds.

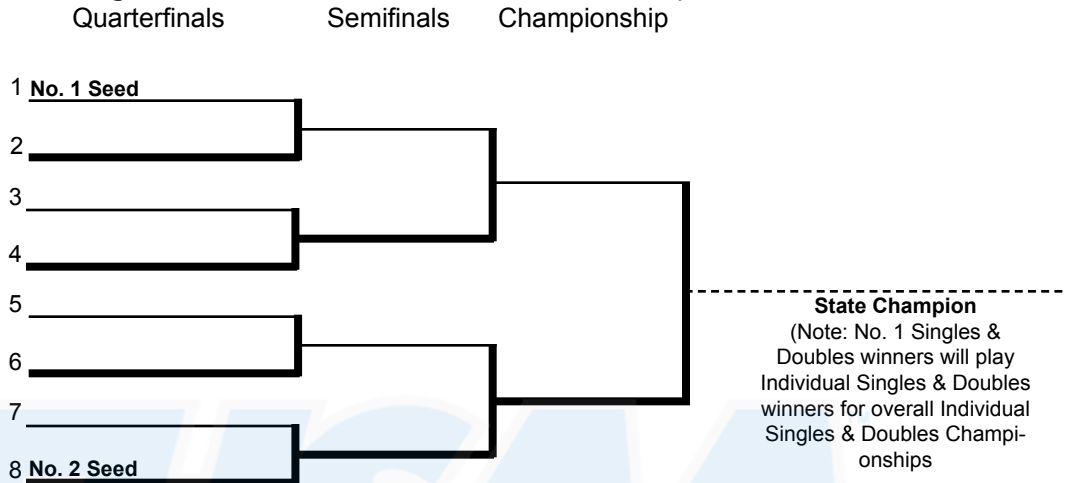

FHSAA Tennis Finals Sample Bracket

One player/doubles team must be seeded for every four entrants or major fraction thereof. After seeded players/teams have been placed on the bracket, all remaining players/teams will be placed on the bracket by blind draw. Even the smallest tournament may have two (2) seeds. The No. 1 singles winner and No. 1 doubles winner only in the team tournament will advance to play the individual singles and doubles winners for the overall singles and doubles championships.

Team Tournament (Each Singles/Doubles Division; 8 Entries Per Division)

Individual Tournament (Each Singles/Doubles Division; Possible 16 Entries)
